

Carshalton Community Allotment

Westmead Allotment, Colston Avenue, Carshalton, Surrey SM5 2PW

Directions:

Look out for a narrow road/track that goes between the houses next to number 33 Colston Avenue. The allotment entrance is next to Carshalton Athletic Football Club. Most of our courses start in the classroom, which is a prefab **green hut** situated half way down the track on the left. It is behind railings and the gate will be open and be signed. If you get to the football club or the big green gates to the main allotments then you have gone too far.

Trains: Carshalton Station is a five minute walk away. **Turn right out of the station.**
