Important! Make sure you read and agree to the **Track Rules** before you go on the track. If you don't agree, don't ride!

- I understand that EcoLocal cannot provide one to one support, other than when teaching individuals to learn to ride or adjusting cycles for me, and that I need to have the ability to follow instructions for my own safety. If I am unable to follow instructions then I will come with a buddy/carer who will take responsibility for making sure I act safely and follow instructions.
- I have read the track rules and I accept that there may be an element of risk in my taking part in cycling sessions but am satisfied to do so.
- I have read and will abide by the covid code of conduct
- I have not knowingly withheld any information about my health which might affect my ability to take part in this activity.
- I understand the personal information I provide on this form will be used to keep me updated on the cycling project, help EcoLocal meet my needs and for statistical analysis to monitor the cycling project. EcoLocal will hold my personal information securely and in compliance with the General Data Protection Regulation. EcoLocal's **Privacy Policy** can be viewed at www.eoclocal.org.uk or ask for a copy.
- *EcoLocal's e-news gives you updates on our activities, events, opportunities to volunteer and ways to support local projects as well as other short news items and consultations. We'll send you emails approximately once or twice a month. Membership of our e-news list is free and you can leave any time you like. EcoLocal runs a range of charitable projects and social enterprise activities in Sutton and the surrounding areas.
